LIQUOR LIABILITY INSURANCE

Forest Insurance Facilities has partnered with Founders Insurance Company to offer monoline liquor liability coverage and general liability packages in Louisiana.

WHY CALL US FOR A QUOTE?

- **Any** risk with a liquor license is eligible!
- In addition to restaurants, taverns, and convenience stores, Founders accepts even the hard-to-place risks, whether the problem is minors after 10 pm, live entertainment, late closings, new ventures, special events, or prior claims.
- Assault and battery coverage is available on both the liquor liability and general liability coverages up to the full policy limit!
- With about 50 years of liquor liability experience as the basis of its pricing —not the national loss cost data— Founders' pricing is consistently more competitive in certain classes of business.
- Quoting, binding, and policy issuance is largely web-based, allowing us to provide you with great, automated service.
- Rated A- (Excellent) by A. M. Best (Category VII), and with more than \$60 million in policyholder surplus and \$180 million in assets, **Founders has the financial strength your clients need.**
